## MILK BOWL GAME "KIDS DAY" EVENT

JOE MOORE

Mr. Moore, Chairman of the Bowl Committee and former outfield star for the New York Giants in the National League and one of baseball's immortals, has had a major share in the promotion of the athletic program at Gause school and is one of the most enthusiastic among the many supporters of the Milk Bowl. Mr. Moore wants to see the Milk Bowl succeed as an annual event and has pledged his support to that end.

RALPH WIDMAN

Mr. Widman, Co-Chairman of the Bowl Committee and E. C. Weafer of Gause originated the Milk Bowl program and to them belongs the credit. Mr. Widman, radio sports commentator, has been doing an outstanding job as chief of the air publicity program for the Milk Bowl game. Mr. Widman is sports director for the Radio Station WFAA in Dallas. From his colorful and helpful comments have resulted widespread publicity in newspapers all over the state with sports writers joining in the Milk Bowl program. Mr. Weafer, teacher at Gause, is one of the best known public relations executives in the country as well as writer.

GENE (DIXIE) WALKER

Gene (Dixie) Walker, former Texas League baseball star and strong financial backer of the Gause team, has been one of the moving spirits behind this unusual sports program that placed an athletic goal within reach of the little fellows who otherwise never have a chance. He personally solicited funds to equip the Pee Wee team and to provide their first uniforms.

Rev. J. C. Collins of Luling spent Saturday with his daughter and son-in-law, Mr. and Mrs. John Petty. While here he also visited Nolar Dodson who is ill at St. Edwards Hospital.

### "Kid's Day" Proclaimed In Milam County By Judge Dan Tyson; Occasion is Milk Bowl Football Game By Pee Wee Teams December 10

"Kid's Day" has been proclaimed for Milam county by Judge Dan Tyson as a part of the Milk Bowl Football Game program in Cameron on Saturday, December 10. Here is the proclamation issued by the judge:

WHEREAS, on Saturday, December 10, 1949 at 3 p. m. on Yoe High Athletic Field in Cameron, a Pee Wee Football Game (Milk Bowl) between the Gause Pee Wee team of Gause and San Saba Pee Wee team of San Saba for champions of perhaps the first and only Pee Wee Bowl Game ever played in our nation and certainly the first in this section of the country; and

WHEREAS, since this is for young boys between the ages of 10 and 13, weighing not more than one hundred pounds or less, this occasion should make history in our county and nation, not only for our citizens of today but for generations to follow; and

WHEREAS, we should give recognition in every way possible to encourage our youngsters of today (who will be our men of tomorrow) by attending this unusual and unique Pee Wee Football Game; and

WHEREAS, the Pee Wee Game has received unusual publicity from

### "Kid's Day" Here Proclaimed By Mayor

Mayor Roy Griffith has proclaimed Kid's Day in Cameron for the Milk Bowl football game here Saturday, December 10.

Here is the Mayor's proclamation: "WHEREAS, we have Christmas day, Thanksgiving day, Armistice day, Labor day, Mothers day, Fathers day, and many others, it seems to me we are overlooking a very important one, KID'S DAY.

THEREFORE, I Roy Griffith, Mayor of the City of Cameron, Texas, Do hereby Proclaim Saturday, December 10, 1949 as KID'S DAY. With hopes it will be adopted by every City and County in the Nation.

ROY GRIFFITH,  
Mayor City of Cameron, Texas

### Baby Linda Going Back To Hospital For Check Up Soon

Little Linda Sweaks, the Blue Baby is going back to the hospital in Dallas in a few days for a check up, it was learned here Wednesday.

Little Linda and her mother were visitors in The Herald plant and the Dallas visit is a routine check up with a heart specialist. In connection with this development it was learned also that Baby Linda will, in all probability, have to undergo a second operation later on.

A second surgery is sometimes necessary in these cases. She has made good progress and there is no immediate danger.

### Dee's Studio To Close For Game Here Saturday

Dee's Photographic Studio will be closed Saturday afternoon, December 10 for the Gause-San Saba Milk Bowl football game here.

Mrs. J. L. Walker, owner of the studio and who only recently completed a long training course in modern photography to open the studio in November, will be out at Yoemen stadium to get some action pictures of the game.

Mrs. Walker is catering to commercial demands for photos and has the equipment for taking outside pictures, modern in this area.

### O. J. Thomas School Choir At Methodist Church Sunday, Dec. 11

The High School Choir of the O. J. Thomas School will give a musical program at the First Methodist Church at 7:00 p. m., Sunday, December 11.

Universal Bible Sunday will be observed at the morning service at which time the pastor will preach on "Our Faith in the Bible."

our local papers, state papers and has also been broadcast for many afternoons recently at 6:50 p. m. over Radio Station WFAA Dallas by Ralph Widman, Sports Director of WFAA; and

WHEREAS, since this program was originated by the people of the town of Gause (first to set up such a program), I feel that the people of Milam County will honor the Gause and San Saba Pee Wee teams by attending this game in large numbers not only from our county but from other sections of the state; and

WHEREAS, if we will put aside our work for a few hours on said above date it will signify that we are proud of our youngsters. It will also show our appreciation for the hard work that has been done by many of our leading citizens. It should be a gala day for our county.

THEREFORE, I, Dan Tyson, County Judge of Milam County, do hereby proclaim Saturday, December 10, 1949 as KIDS DAY in Milam County and urge our citizens, our schools, and our civic organizations to unite and cooperate to make this one of the most outstanding sports events ever held in Milam County.

DAN TYSON,  
County Judge, Milam County, Texas

E. C. WEAFER

Mr. Weafer, Athletic Director of Gause School, saw the need for an Athletic Program and began with the Pee Wee football team. His efforts and ideas contributed much to the Bowl game you are witnessing here Saturday.

### MAY TALK TO FARMERS ABOUT COTTON ACREAGE

Congressman W. R. Poage will be in Cameron Tuesday, December 13 to address the Lions Club and following the luncheon will be in the District Court room to meet with farmers or anyone else who has a problem to discuss.

Mr. Poage has been holding meetings over his district and in recent days the main problem discussed is the current allotment of cotton acreage.

Farmers generally feel they are just about out of business because of the drastic restriction of acreage to be devoted to cotton.

Mr. Poage extends a cordial invitation to all the people of this area to meet him at the court house in Cameron next Tuesday.

Mr. Poage has pledged his efforts at a law when congress meets in January to correct what he terms is an administrative error in the applying the cotton quota regulations. Mr. Poage has charged that the department is not giving credit for war crops where due and this has resulted in a reduced cotton acreage far below the intent of congress.

### COOL SPELL IN TEXAS

It should be fair and colder Thursday. A cool spell entered Texas early Wednesday. The forecast was 34 degrees in the Dallas area by Thursday morning.

Mr. and Mrs. Louis Kubecka and two daughters, Kay and Martha Ann of Austin spent Thanksgiving with his parents, Mr. and Mrs. V. A. Kubecka.

### COTTON SUPPORT PRICE TO CO-OPERATORS ONLY

Price support for cotton produced in 1950 will be available only to "co-operators", those farmers who plant within their acreage allotments, whether marketing quotas are approved or rejected by growers in the referendum on Thursday, December 15, the State Office of the Production and Marketing Administration announced today.

Today's announcement is based on a determination by Secretary of Agriculture, Charles F. Brannan under terms of the Agricultural Act of 1949, B. F. Vance, Chairman of the State PMA Committee points out, and means that acreage allotments will be used to determine eligibility for price support in 1950 even if quotas were rejected by growers.

"If quotas are approved by growers in the December 15 referendum, 'co-operators' will be eligible for CCC loans on their 1950 crop at 90 percent of the parity price next August 1", the chairman explains. The average 1949 loan rate in Texas, which is 90 per cent of the Aug. 1, 1949 parity price, is about 29.20 cents per pound.

"But if quotas are not approved in the referendum, the loan rate to 'co-operators' on their 1950 crop will be 50 percent of the parity price next August 1," says the Chairman. Fifty percent of the August 1, 1949 parity price in Texas is about 16.20 cents per pound. The parity price of cotton has dropped since August 1 and 50 percent of the present parity would be about 15 cents. "Non-cooperators" will not be entitled to price support protection in either case.

In announcing the determination, PMA officials explain that the acreage allotment-marketing quota program is intended to provide farmers with a method of co-operatively adjusting production in line with requirements for cotton. Therefore, those growers who fail to co-operate in the production adjustment are not entitled to price support.

If quotas are approved, these officials point out that the "non-cooperator" is required to pay the full penalty on his "farm marketing excess" before he can market any of his 1950 crop.

### GARDEN CLUB ACHIEVES SUCCESS WITH SHOW

Preceding the formal opening of the first annual Christmas flower show by Cameron Civic Garden Club on Friday a luncheon was given at Milam Coffee Shop at noon. Judges for the show were guests for the luncheon and were Mrs. A. E. Collier, Mrs. E. A. Brinkley, Mrs. P. A. Childress and Mrs. Marrs, all from Temple.

815 guests were registered during the two day showing of a gorgeous array of decorations. All entries were made according to classification and ribbons were given: For first place a blue ribbon was given, second, red third, white and honorable mention was given a yellow ribbon.

The mantel arrangement entered by Mrs. Thomas Raymond took a tricolor for the most outstanding entry. The Christmas packages went to McCloskey Hospital, and the Good Cheer Box netted \$40.18.

In class 1 (outside door), Mesdames Ed Gunn, H. F. Smith, Leo Fuchs, Mrs. Giles McDermott and Edwin Adams won first place, second place went to mesdames J. D. Moore, Grady Cooper, Jack Higginbotham, Stanley Hughes, Bill Burns and A. L. Horstmann, third place, Mrs. Theo Fuchs.

Inside door decoration, Mrs. Grady Cooper, Mrs. Thomas Raymond, Mrs. Alvin Dusek and Mrs. A. L. Horstmann won first place and Mrs. J. D. Moore won second place.

In class 2 (window decoration), Mrs. Ed Gunn won first place, Mrs. F. W. Carr second and Mrs. J. D. Moore and Mrs. Alvin Dusek honorable mention.

Class 3 (mantels), first; mesdames J. D. Moore, Harry Haraway, Thomas Raymond and Leo Fuchs; second place; Mrs. Alvin Dusek and Mrs. David Shapiro, with Mrs. Grady Cooper winning honorable mention. (turn to page twelve)

### DECEMBER 19 IS LAST CONTEST ENTRY DATE

Chamber of Commerce calls attention to-day to the December 19 deadline for entering home decorating contest in which \$130 in prizes are to be awarded.

Telephone your entry at once. Judging will take place on December 22 instead of the 23rd as had been announced. Judges have been selected in Temple through the Temple Chamber of Commerce and they will represent the following Temple firms; Texas Power & Light Company, Temple Floral Company and Lee Sign Service.

There are no restrictions on the contest. Anyone within the city limits and anyone outside the city limits but in the city area may enter the contest.

The Chamber of Commerce points out that the amount of money you spend on your decorations will not necessarily have a bearing on your chances to win. Many kinds of materials and arrangements may be used with great effectiveness and at little cost.

### SON TO THE KIRKS

Mr. and Mrs. Thomas Kirk are the happy parents of an eight pound 14 ounce son born Friday, December 2, 1949. The baby has been named, Wayne Thomas. Mrs. Kirk is the former Miss Beatrice Walker. Grand parents are Mr. and Mrs. T. E. Walker and Mrs. Marvin Kirk of Milano.

### MIGHTY MIDGET BOWL HERE IS SPOTLIGHTED

(Waco News-Tribune)

Mighty midgets of Texas football will clash in Cameron Saturday, Dec. 10, in the first annual Milk Bowl contest, and the event will be complete with colorful half-time activities and a Statewide, play-by-play radio broadcast.

The Gause Pee-Wees and the San Saba Juniors, whose lines average less than a hundred pounds, will be the teams vying for honors as the first Milk Bowl champion. Game time has been set for 3 p. m.

The Milk Bowl contest is the result of some actions by a group of Gause residents who showed an exceptional amount of interest in elementary school sports.

Gause, population about 500, isn't large enough to support a successful entry in high school football so the next thought was for an elementary school team.

The youngsters began practicing after Eugene Weafer, teacher of the sixth and seventh grades, took an (turn to page twelve)

### Trophies Delivered For Milk Bowl Game Saturday, December 10

Trophies for the Milk Bowl game here Saturday, December 10 were delivered to Cameron Tuesday by Ralph Widman of Dallas, sports director for radio station WFAA the Dallas Morning News.

The trophies are on display in the show window of the Cameron Herald.

The trophies were given by the Dallas Morning News and Station WFAA.

Mr. Widman who has been doing a fine job as co-chairman for the milk bowl game over his radio station, met Joe Moore of Gause here Tuesday and they went over details of the game. Mr. Moore is chairman.

The main trophy will be given to the winner of the game and the other trophy will go to the losing team, a participant's award.

### Tickets to Milk Bowl Game Going Fast; You Should Buy At Once

Reserved seat tickets for the Milk Bowl game here Saturday, December 10 are going fast.

There are a few tickets left in Cameron and they are on sale at the Chamber of Commerce. It was announced this morning that bleachers would be erected to take care of the big crowd. Right now tickets can be had for the central stands and if you will go now you will be bale to get a choice seat.

Majority of the tickets went to San Saba and to Gause as was proper, but Cameron fans were given an opportunity to buy seats in the reserved section.

### Cameron Stores To Close December 26

Cameron stores will be closed on Monday, December 26. This follows a practice established in 1948 when holiday occurs on Sunday then the following Monday stores will close.

An exception is made in the case of New Years Day. The town will not close on Monday following New Year's day despite the fact that New Year 1950 falls on Sunday. The town has never closed for New Years.

### Buckholts Officer Requests No Shooting Fireworks Downtown

E. Horstmann, Constable of Buckholts, issued his annual appeal to youngsters to refrain from shooting fireworks in the down town areas of the city. "We had fine co-operation last year and we want to keep it that way. I would not like to have to call anyone's attention to this and will ask that all refrain from shooting fireworks in the business district," said Mr. Horstmann.

"Fireworks are not only annoying to shoppers but they create a definite fire hazard and we cannot take chances. Thank you one and all for your co-operation in advance." E. HORSTMANN

## A NEW TEST WELL IN OLD TRACY OIL FIELD

Possibilities of oil in the western Milam county unfolded yesterday as drillers prepared to sink a third test well.

The first two tests, drilled recently near the fork of the San Gabriel and Little rivers, produced a showing.

Curtis McBroom, president of the Buda Oil company of Fort Worth, said yesterday that the first two tests showed the Edwards formation to be at 2,345 feet and the Buda about 200 feet higher.

Last night, the Pegg Brothers firm of San Antonio was setting up a rotary rig for a third and possible final test in the block.

Located in the Suggert tract, the third test is 1,400 feet from the south line and 900 feet from the east line. The tract covers 147 acres. The well is 17 miles from Cameron, Rogers and Throckmole and some three miles from the fork of the San Gabriel and Little rivers.

The land, owned by A. E. Suggert

of Rockdale, covers the old Tracy oil field, a flourishing field 30 years ago. Very shallow, the field has been abandoned some 15 or 20 years.

The first well, drilled on Suggert land, and the second, drilled on land owned by Jule Coffield, produced traces of oil.

Some 700 acres have been leased in that area by oil companies.

Two other wells in Milam county are under way, one by Mel B. Richards of Fort Worth, northwest of Cameron, the other by Vails of Dallas in the southwest part of the county.

Mr. McBroom said he expected the third well in the Suggert tract to be completed in two or three weeks.

Mr. Suggert said the test results appeared "promising."

### FORGER TO JAIL HERE

Sheriff Carl Black was in Dallas Friday to get C. B. Redmon, wanted on a worthless check charge. He will be returned to the Milam county jail. Redmon passed a check on Frank Barclay of Milam on August 14. The amount of the check was \$20.00. It was said here he is wanted in Dallas county on a similar charge.

Mrs. Ladis Murek and Ladis, Jr. accompanied by Mrs. F. A. Murek spent last Monday in Austin.

## 64,000 ACRE COTTON CROP LOOMS IN 1950

Milam county's cotton acreage for 1950 has been reduced almost 30 thousand acres, based on preliminary estimates of what the department's program will be next year.

That disappointment follows the announced cotton allotment plan is apparent from all sides. The principal bone of contention was the failure of the administrative branch to comply with what the Congress had previously said would be the law.

Under the congress plan farmers were to get credit for war food crop plantings when time came to make a reduction in cotton acreages. According to information available here this has not been done. According to reports from other areas no credits have been given.

It was estimated here that if the credits were available that Milam county's cotton acreage in 1950 would be around 75,000 acres representing a cut of only about 15,000 acres.

The picture is like this: There are 1899 farms in the county. The total crop acreage is around 570,000 acres. In 1950 farmers can plant only 64,170 acres in cotton. In 1949 the total acreage in cotton was around 90,000.

As soon as official figures are available here they will be released for publication.

### We Get .65 Inches Of Rain Saturday

A total of .65 inches of rain fell in the Cameron area Saturday morning, it was reported by L. W. Smith at the Community Public Service Company.

The rainfall was the first since October 24 and on that date a total of 1.79 was registered.

Rain was badly needed in all sections of the state.

Irvin Braddock of Dallas spent last week visiting in the Jesse Weather's home at Magnolia.

## Schiller Motors To Close for Milk Bowl Game December 10

Another big auto firm volunteered to close on Saturday, December 10 for the Milk Bowl game at Yoemen stadium between the Gause and San Saba Pee Wee teams.

Schiller Motors, Dodge and Plymouth dealers, are co-operating to the fullest extent to make the game a success and so their employees may go to the game.

A number of firms have telephoned The Daily Midland that they will close. Their names will be printed each day and if too many come in for one day they will be listed. All this co-operation is appreciated by the Bowl Committee from Gause and San Saba.

Franklyn Bell and Jimmy McMillan of the Academy visited Misses Audrey Nell Seaton and Mary Emily Weathers at Magnolia the past Thursday.

Mr. and Mrs. Bartow Jackson and son Thomas left early Saturday for Ardmore, Oklahoma to visit Mr. Jackson's mother, Mrs. J. B. Jackson who is very ill in a hospital there.

## LOVE FIELD AT DALLAS IS SCENE OF CRASH

Twenty-eight passengers aboard a passenger air liner lost their lives at 5:30 a. m. Tuesday at Love Field in Dallas when the plane crashed into a training school building.

The plane carried 40 passengers and 5 crew members.

Seventeen passengers aboard the liner escaped with their lives, although some were severely injured.

The big plane, on its way from New York via Washington to Mexico City, was coming in for routine landing. The pilot of the plane, encountering mechanical trouble at almost landing altitude, it was said by field officials, made a desperate effort to hoist the plane into the air and reach the field, but the plane suddenly plunged to earth, striking a building at a military training field, filled with chemicals.

The big ship burst into flames and the building and chemicals were also set on fire and prevented rescue of a number aboard the plane who might have been saved.

Two passengers aboard the plane were due in Dallas for a business meeting Tuesday night. Both business men lost their lives. Many of

the passengers were Mexican business men.

There was no announcement regarding the fate of the pilot of the plane or the crew members.

The two Stewardesses of the plane lost their lives.

The crash was described as the worst air disaster in the history of Texas.

The roster of the dead was announced and in the main they were husband and wife. Among the dead are a number of children.

Lawrence Claude, 57 year old pilot of the plane, escaped and is in a Dallas hospital.

The plane was a DC-6 Luxury liner

# THAT'S YOUR BUDGET NUDGING YOU

TAKE THIS, FOR EXAMPLE—A roomy 6-passenger 4-door Sedan of 115 hp. Ideal for a family car. Available with Dynaflo Drive as optional equipment at extra cost.

LOOK this tidy Buick over—and you may hear a still small voice saying "go ahead—get it!"

If so, don't think it's mere ambition urging you to splurge.

The simple fact is that this lively fashion setter is not only a car straight from your fondest dreams, but a *bravely straight-eight Buick* that practically any budget can handle!

Match prices—and you'll find that many a six costs you more than this does.

Boil it down to costs per pound—and poundage in a car often means more durability and longer life as well as smoother riding—and you'll find this one right down among the so-called lowest priced cars.

Figure your investment over the extra years you'll be happy in a Buick—check the used-car listings and see how Buicks hang onto their resale value—and you'll see the wisdom in buying a better car to begin with.

And just figure how much more

automobile you're getting here.

The extra value of Buick's own Fireball valve-in-head straight-eight power.

The bump-smothering gentleness of soft coil springs on all wheels, both fore and aft.

The roominess of Buick's king-size interiors—the lightness of Buick controls—the new parking and garaging ease of traffic-handly size—

And that completely different and distinguished look of Buick's tapered fenders, sleek jet-plane lines and the sturdy, shock-deflecting protection of that bold new front-end design.

So go ahead and listen to that still small voice. It's your budget, nudging you to go get the actual figures and replace guesses with facts.

The place to go is your Buick

dealer's—and if you want to travel like fortune's favorite, the time to sign on the dotted line is now!

## Smithwick Denied Bond In High Court

Sam Smithwick, Jim Wells county deputy sheriff, charged with the slaying of Bill Mason, radio commentator in Beeville, has been denied bond by the court of criminal appeals in Austin.

Trial court denied bond at Beeville. Attorneys for Smithwick appealed and were turned back by the high court.

Smithwick, due to go on trial December 12 is in the Bell county jail at Belton.

## In Appreciation

This is to announce to my many friends and loyal business patrons of almost twenty three years, that Mrs. Gohmert and I have sold our business, the Gohmert's Variety Store, located on the west side of Court House Square, Cameron, Texas.

The sale of the business was prompted because of failing health which has kept me from my duties for over seven months.

I take this opportunity to thank my friends for the many "get well cards", personal visits, words of encouragement and acts of kindness.

In order to reach as many as possible, I take this method to express my sincere appreciation to all my friends and customers for their many courtesies extended since the inception of our business here on January of 1923 and continuing for more than 26 years, and hope our service has been a convenience to the community. It has been a joy and pride, during the years, to be affiliated with the good citizens of Cameron and Milam County and to have enjoyed the hearty co-operation, support and good will of many.

We desire to recommend to our friends the new operator of our former store, Mr. Richard W. Moseley of Burris-Moseley, Inc., of Houston, Texas, whom we feel sure, will conduct the business on the highest possible scale and deserves your support, and who will genuinely appreciate your kindness in the future as we have during the years.

Sincerely,

Mr. and Mrs. L. F. Gohmert

## CHRISTMAS SHOPPING OPPORTUNITIES GOOD

Cameron stores and shops are sparkling with Christmas merchandise. Santa Claus has been liberal with his gifts and business men have been wise in stocking up for what may be one of the best shopping seasons in years.

At this time of year it is important to remember that to shop early is wise and often profitable. Little do folks realize how fast time passes. It is just a brief time until Christmas day and there are only 18 shopping days.

Usually early buyers get the choice of merchandise offered for gifts. One of the main reasons why people should shop early is they can be most considerate of clerks. The Christmas season is heavy in its demands on time and work and in the late hours of Christmas week people are tired and it is very considerate of people to get their Christmas buying over early.

Cameron has always been a retail trade center. Merchandising during the war years was at a minimum. Since that time stores have gradually built up their stocks. While there may be much to be desired in the old town, still gift goods assortments are up to standard.

Cameron is fortunate in many of its stores and shops. You can find a wide range of gifts here, from the ultra expensive, lasting types to the best of toys, tinsel and sweets. The Christmas tree has made its appearance and the Yule program is being planned. Many will return for the Holidays and the happiest season of the year is just around the corner.

In the meantime, Mr. Merchant, you should do a little advertising early, unless you like late shopping. Newspaper lineages has not kept pace with modern merchandising trends here. While business is good, it is important that Cameron be publicized as a retail trading center.

Fifty per cent or more of the victims of infantile paralysis now recover completely, while 25 per cent are left with only slight after-effects.

## Husband of Former Cameron Girl Makes Mark on College Paper

SAN ANTONIO, Nov. 28—Madison C. McCutchen, husband of the former Mary Helen Hlavacek of Cameron, has been elected to Who's Who in American Colleges and Universities.

Out of 66 nominees from Trinity University 17 students were selected whose biographies will appear in the forthcoming volume of Who's Who in American Colleges and Universities.

McCutchen, a veteran of World War II, is editor-in-chief of The Trinitonian. He climbed to editorial eminence on the college newspaper by the steps of positions of reporter, columnist, and managing editor. He was Trinity University delegate to the 1949 meeting of the Associated Collegiate Press in Detroit. A member of Sigma Tau Delta, national creative writers, fraternity, he won second place for poetry at the Southwestern Intercollegiate Poetry Meet in 1949.

He is a member of the Press Club which he has served as vice-president, and of the board of publications. He is a member of Alpha Chi, national scholastic honor fraternity, and his name appears on numerous honor rolls. He served on the homecoming committee for 1949. McCutchen is a major in journalism and minor in history.

Mrs. McCutchen is the daughter of Mr. and Mrs. Henry Hlavacek of Cameron.

## Louis Lewis Rites Held In Rockdale

Funeral services for Louis Lewis, 76, were held from Phillips and Luckey funeral chapel in Rockdale Friday with Rev. T. Miller Smith of the First Methodist church officiating. Burial was made at Oak Lawn cemetery.

Mr. Lewis, a native of LaGrange, came to Rockdale when a child and after completing his education he taught in the rural schools of this section for many years. Survivors are his wife; two step-daughters, Mrs. Lee McLain of Cameron; and Mrs. Alice Burkett of Dallas; a sister, Mrs. W. F. Sawyer of Houston; and a brother, Ruben Lewis of Rockdale.

## Parma Radio Service Will Close Saturday

The number of business firms to close for Kid's Day and the Milk Bowl game here Saturday at 3 p. m. has now reached a proportion to insure a good measure of co-operation.

Parma's Radio Service, pioneer in its fields, will be closed for the game Saturday afternoon.

Joe Parma, owner of the radio service said, "We are behind the kids 100 per cent and we are going to demonstrate it by closing up shop for the big game."

## Mrs. Addie Cryer Leases Toddle Inn

Mrs. Addie Cryer has leased Vaughan's Toddle Inn on East First Street and will take over the business on Wednesday.

Mrs. Cryer will serve free coffee and doughnuts from 9 until 12 and invites the people to visit the Inn during those hours to enjoy the hospitality.

Mrs. Cryer will serve the best of foods and coffee and says she will sell coffee at 5c a cup. The Toddle Inn has been a popular eating place since its founding and Mrs. Cryer will continue its good service.

## Two Auto Firms To Close For Milk Bowl Game Saturday

Cameron was responding well to the suggestion that business houses close for the Milk Bowl game here Saturday, December 10 between Gause and San Saba.

Early Monday Grabbe Chevrolet Company and Duncum Motor Company managements telephoned the Daily Midget to say that their plants and agencies would be closed for the game.

This co-operation is greatly appreciated and will enable a considerable number of people to attend the game.

To make a success of the game people here must attend in great numbers. Representatives from San Saba and Gause say that the stadium will be filled by people from those cities, including many children.

This suggests that the Chamber of Commerce has tickets on sale. If you want a seat you had better get your ticket at once. There are only a limited number.

The British makes no record of color or race on a birth certificate.

## PACKING SEASON WILL CLOSE HERE DEC. 10

Milam county's 1949 turkey crop was estimated to be worth around \$600,000.00.

The packing season in Cameron will come to a close around December 10. On Friday hens were selling for 35c pound and toms were selling for 26c.

Turkeys on the markets in Milam county have brought raisers around \$8.00 a head. It was estimated here that the county had produced some 75,000 head.

Dave Bryan at Fairmount Foods, one of the larger packers in the county, said that his packing plant would

close for the season around December 10. It was Mr. Bryan's opinion that the 1948 crop brought farmers more money since the price was much higher but the 1949 crop was larger.

This report on the 1949 crop, an estimate, but coming from experienced sources, will be appreciated by business men who have consistently advocated a bigger poultry program. Processors of turkeys and poultry are gratified to see this expanding program. Farmers who produced the

turkeys are naturally disappointed over the price decline but have come out with a very good profit.

The turkey program will be bigger next year, was the opinion of many here. The agricultural picture in Milam county has changed materially in the last few years and for the better. Farm incomes are higher and the turkey crop is one of the better signs.

Mrs. Frances Tomek has returned home after being ill and in St. Edwards Hospital for treatment.

**On Second Unit of Excavation Starts Belton REA Plant**

BELTON, Nov. 23 — Excavation was begun this week for the second unit of the \$3,500,000 Charter Oak REA plant near Belton. Crews will start pouring concrete Monday, and construction of the superstructure is expected to start around Dec. 15. The new unit will double the capacity of the original portion of the plant which is nearing completion. The new unit will include a 11,500

KW turbine, a smoke-stack, larger boiler, and a cooling tower the same size as the one already constructed. Provisions have been made for installation of another unit tripling the plant if the need arises.

The Lone Star Gas company is completing a building for the gas regulating station near the highway. Here control mechanism will be set up for the pipelines which will feed gas to the boilers.

Plans call for the first unit to be in operation by Jan. 1.

**Old City Cemetery Will Get Better Care; Work Has Started**

Attention to-day is being focused on the Old City Cemetery on the river road, long neglected.

Interested citizens, among them War Veterans, who decorated the grave of Cameron's Unknown Soldier, on Armistice Day. This soldier of the United States Army lies buried in the old plot and is unknown. The grave has a marker.

A published news story on this brought the matter to the attention of the Legion men and from that has grown considerable support and feeling that the cemetery has been neglected too long and now something is going to be done about it.

The first man to bring in a contribution was Jim McGoldrick, city marshal. He gave \$5.00. This was matched by this newspaper. It appeared that enough money was in sight to have the cemetery cleaned and the grave mounds built up where there are no markers or curbs. Ed Westbrook has volunteered his services for this important first job to be done and was on the job early Thursday. He will be paid for this work but has made a \$5.00 donation.

No doubt there are many more here who will want to have a share in this work to bring this historic burial place up to a better standard of care for the pioneers who lie buried there. Some of the graves are one hundred years old. Many of the monuments have been broken and are fallen to the ground, one marked 1848.

The plan for the old cemetery now is not only to clean it but to fence and beautify it.

This newspaper has been asked to call for contributions. If you want a share in this good thing to do, send or bring in your money. No one will have to give much if many respond. The funds will be deposited for responsible care and expenditure and the hope is to have a fund available for continued maintenance. The cemetery needs fencing and beautifying. It needs special care on location of graves and the marking of graves, many of them not distinguishable now.

Here the pioneers sleep. Can we with good conscience neglect to care for their places in the soil they loved, or fail to show our appreciation for the sacrifices they made to give us the good community in which we live?

**Whitney Thief Gets \$1500 In Safe Crack**

WHITNEY, Nov. 27—A thief or thieves broke open the safe of the Clover Farm Grocery here early Sunday and escaped with \$1,500 in cash and checks—about \$1,000 of it in cash.

Otis Hulme, owner of the store with his father, W. Henry Hulme, said the safe-cracking was first discovered when the store was opened at 8 a. m. The knob of the four-foot steel safe was knocked off, and the lock punched into the safe.

Hill County Sheriff Charlie Garrison said a suspect had been arrested. The suspect had a metal bar in his possession which fitted marks on the safe, Garrison said.

Hulme said the knob-knockers gained entrance by prizing the lock from the back door.

Hill County Sheriff's Deputies Ben Kurbo and Marian Norris investigated.

## MORE RECRUITS HERE FOR NATIONAL GUARD

Nine enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion received promotions during the weekly drill period on Monday evening.

This is the fourth time this year, Captain Rudolph Michalka said when making the announcement, that promotions have been made in the local National Guard unit.

He listed them as: Pvt. Paul T. Nabours and Billy G. Neeley promoted to Private First Class; Rct. Ernest V. Batte, Edward L. Johnson, John C. Komar, Jr., James W. Offield, Milton D. Shuffield, Emil Vansa and Joe E. Wardlaw promoted to Private.

Capt. Michalka also stated that recruiting is being continued by the unit, and one First Lieutenant and five enlisted men were added to the rolls recently.

The lieutenant is Roy L. Vaughan, a wartime Air Force pilot who served with the Air Transport Command. He operates the Toodle Inn and Legion Sandwich Shop here in Cameron.

The enlisted men joining the Battery are: Joe J. David, Stanley J. Sipula, John D. Moseley, Fred W. Carr, Jr., and James D. Leath. Leath is a former Guardsman and was among the first to enlist when Battery C was activated here in 1947.

## REICH MUST RENOUNCE ALL MILITARY DESIRES

BONN, Germany, Nov. 24— The West German republic started on the long road toward becoming a power in world affairs through an agreement today with the United States, Britain and France easing restrictions imposed on German industry, foreign trade and merchant shipping.

The Western powers agreed that West Germany may:

- 1—Retain 18 large synthetic oil, rubber and steel plants that had been marked for dismantling. Among them is the August Thyssen steel works, one of the largest in Germany. All dismantling in divided Berlin is to cease.
- 2—Establish consular and commercial relations "with those countries where such relations appear advantageous."
- 3—Rebuild a merchant fleet for high seas trade.

The Western powers also agreed to promote German membership in "all those international organizations through which German experience and support can contribute to the general welfare."

The West German government in return agreed to participate wholeheartedly in the international authority for the industrial Ruhr, which the Germans previously have boycotted.

It also agreed to cooperate with the big three high commissions in the work of the military security board, which has the task of keeping German war potential to a minimum.

Similar German pledges were given to eradicate Nazism and continue Allied steps against German cartels and monopolies.

These were the main points of a joint communique by the high commissioners and West German government announced after 10 days of negotiation. It was the first time the West German government had had the opportunity of direct major negotiation with the West over disputed questions. Up to now the Allies, as occupying powers, had dictated German actions, sometimes with German advice.

As such, the negotiations marked the beginning of a new era in German affairs. The Germans now will have a direct voice in their future.

The granting of commercial and consular rights plus a merchant marine will put Germany back in world affairs and trade, even though on a lower level than before the war.

In addition, the Allies said a "termination of the state of war" with Germany was in the spirit of the protocol," but required further study because of legal difficulties.

Once the state of war is ended, Germany presumably would have a full diplomatic place in European and world capitals.

France, Britain and the United States kept a tight string on the limited consular and commercial relations by stating such relations would be only with those "countries where such relations appear advantageous."

Presumably this would allow the Western powers to step in and halt any steps by Germany to make a deal with Russia or her Eastern satellites, where such a step was inconsistent with Western policy.

German Chancellor Konrad Adenauer, who conducted the German negotiations, reported on them this afternoon to the West German parliament.

Adenauer said Germany had to win back the confidence of the world step by step and warned Germans not to assume that there had been a complete change in foreign attitude toward Germany.

### Rockdale Man Gets \$1200.50 In Suit He Lost Thursday

Tom B. Brannon of Rockdale lost a suit for \$6772 in district court against an Austin insurance company but got \$1200.50 which attorneys for the insurance company said they had been trying to pay to Brannon.

Mr. Brannon brought suit for what he claimed was hospital and medical expenses resulting from an injury received in a truck crash in 1948 while he was driving for a Rockdale firm.

The jury in the case did not allow the amount asked for in the suit but attorneys approved the amount tendered by the company.

### YOEMEN TAKE MILANO IN HARD FOUGHT GAME

Coach Dick Young's basketball schedule is paying off in a big way. This season he is taking on all comers and is matching games with the smaller communities where often the best teams are to be found.

Thursday night in Milano, the fast stepping Cameron Yomen basketball team defeated the clever Milano Eagles in a thriller 40 to 38. The Yoemen fast break proved to be the

deciding factor as little Glen Rosenberg sped past the Eagles for nine points while Alton Fuchs poured in 21 for high point honors.

Gordon Gibson stellar ball handler and defensive man was all over the court in thwarting the Milano offense and directing the Yoemen offense.

Frank Malone, rangy forward, and Eldon Batte at center were mainstays in the Yoemen lineup. Much is expected of these boys in district play.

Kornegay, Steel and Wise stood out for Milano.

The next game for Cameron will be

with the famous Texas City quintet, Double A basketball champs of last year. This game will be played at Bryan December 9 in an invitation tournament.

Mexia-Braunfels Will Play In Waco Stadium Friday Night

The Mexia Black Cats, undefeated in 12 games this season, will play the New Braunfels Unicorns, also boasting a perfect record this year, in a Class A bi-district contest at Municipal Stadium in Waco Friday night at 8 p. m.

Carroll Wood, principal of the Mexia High School, made the announcement, following a meeting in Dallas Saturday of officials of the two schools.

Ty Bain's Black Cats shellacked the Grand Saline Indians, 53-0, to get in the quarter-finals while the Unicorns got there by blanking Rosebud, 21-0.

Advance adult tickets will be \$1.25 but will sell for \$1.50 at the gate. Student ducats will be sold in advance only for 60 cents. No student tickets will be sold at the gate.

Returns Car Taken With Owner Consent; Reports To Jail Here

Wilbert Morgan, 19 year old Cameron boy is in jail awaiting charges to be filed by the County Attorney.

Morgan took a Ford car from the garage at the W. C. Wallace home at 824 East 11th Street early Thursday morning, went to Rockdale and then to Lexington. He returned the car early Thursday and reported to the sheriff and was placed in jail.

At Rockdale Morgan stopped for gas and signed a check. Sheriff Black notified parents of the boy here after he had recognized the name on the check.

The car was returned to the Wallace home around 7 a. m. Thursday, and was not damaged.

Dr. Pepper Company Will Close for Milk Bowl Game

Dr. Pepper Company will close for the Milk Bowl football game here Saturday, December 10.

Bert Nicholson, manager for the company here, telephoned that his distributing agency would shut down for the game. This gesture will be appreciated by the people of San Saba and Gause.

A number of business firms have volunteered to close for the game.

BELL COUNTY TEAM IS WINNER IN BI-DISTRICT

With versatile Kyle Killough scoring two touchdowns and passing for two others, the fighting Academy Bumble Bees outscored a touted Calvert team, 25-13, in their class B bi-district game before 2,000 fans here.

Academy scored the first time it got the ball. Killough slipped around end for 50 yards to the Calvert 30, then passed to Leonard Hargrove for 10 yards, and skirted end to the eight. From here Killough passed to halfback Bob Holick for a touchdown. Holick's conversion kick was wide.

A moment later the Bumble Bees had another chance and made it pay off. Raymond Velesquez, the Calvert triple-threat, fumbled on his own 30 and Academy recovered. On the first play Killough passed to end Henry Pearson for a touchdown. Holick missed the conversion attempt after a penalty had set him back.

After an exchange of punts, Calvert marched 60 yards for its initial score. Velesquez and Darvin McCary kept skirting the ends for constant gains and then Velesquez ripped off a 30-yard scamper to the Academy five. McCary rounded end for a touchdown and Velesquez ran the extra point over to trim Academy's lead to 12-7 as the wild first quarter ended.

In the second period Killough punted out beautifully on the Calvert two from where the losers marched 95 yards to the Academy three before the halftime gun stopped them.

Early in the third quarter another fine Killough punt died on the Calvert three, and two plays later the Academy line swarmed in to block

Velesquez's punt on the 10. Killough drove to paydirt in two carries and Raymond Coston kicked the extra point.

Calvert came back fighting and marched 80 yards for its second ouchdown. Velesquez and McCary sparked the long, steady drive that was helped along by a roughing penalty against Academy. Velesquez scored from the two on an end run and the extra try by both pass and plunge failed after a penalty. McCary was hurt on the play and left the game in an ambulance.

Only six points ahead now, Academy turned on the pressure again. Tackle Billy Irby intercepted Velesquez's pass on the Academy 35 and the Bees launched a 65-yard scoring drive. L. K. Killough and Billy Joe Moore did most of the running, but Kyle Killough scored from 18 yards out on an end run. Holick's conversion kick was wide.

Midway through the final quarter, Calvert's Freddie Lange intercepted Killough's pass on the Calvert 15 to launch an 80-yard march. Velesquez swept the ends and cut through the tackles for steady gains but fumbled on the Academy five and guard Marvin Cooksey recovered. The Bees then held onto the ball until the final gun.

Mrs. Eva Cobb spent several days visiting Mr. and Mrs. Sam Cobb and Mr. and Mrs. Arthur Cobb in Houston recently.

Cameron Lands Four Yoemen On District Team Named By Coaches

KILLEEN, Dec. 3 — Champion Rosebud placed only two players on the All-District 21-A football team selected last week by the Killeen Herald.

Runnerup Cameron landed four berths to lead the balloting conducted by Sports Editor George Gigotti, among coaches in the district.

All six schools in the circuit were represented on the team. Taylor placed two with Killeen, Belton and Georgetown getting one apiece.

Bill Davis, whose brilliant work moved Rosebud to its first championship, and Alton Fuchs, trigger of the Cameron team, were unanimous choices. Other Yoemen chosen were center Gordon Gibson, guard Lois Hollas, and Melroy Eixman, 200-pound tackle, Big Ray Aller Griffin, Rosebud defensive demon, got the other tackle spot.

Griffin and Everett McQueen, great Killeen flanker, polled almost enough votes to be named unanimously.

Rounding out the teams are Tom Talley, Taylor, back; Royce Boren, Belton, back; Bill Meister, Taylor, end; and Stafford Landry, Georgetown, guard.

BIG FARM QUESTION ARE WE IN BUSINESS

Cotton farmers are mad.

Congressmen from the cotton growing states act like they are indignant but what some folks would like to know is what were they doing when this cotton quota law was enacted.

Nobody heard anything about it until the farmers began to ask the question: "Are we in business?"

While it is true that there is some controversy over whether war crop credits, in the main somebody was caught asleep at the switch.

A change in the law is promised

when congress meets in January. This will be in time for planting but on the whole the cotton situation is so bad that drastic acreage cuts must be made.

The whole problem boils down to the fact that new areas are constantly being opened up and irrigation is producing bumper crops in the arid regions. The waxy prairies of central Texas and the bottom lands are just about out of the picture, but a re-adjustment of the acreage quota can have the effect of relieving the situation.

Milam county planted 90 thousand acres in 1949. In 1947 the acreage was 72 thousand and in 1948 it was 75 thousand. The new quota is based on the 1947 and 1948 quotas.

GRAND PRIZE ANNOUNCES NEW PALE DRY BEER

Officials of the GULF BREWING COMPANY, HOUSTON, shown discussing the new labeling of the NEW PALE DRY GRAND PRIZE BEER which is being placed on all Texas Markets December 1. Left to right are: James Delmar, Vice-President in charge of Production; Virgil Shepherd, President of Gulf Brewing Company; Reeves Hendershot, Vice-President and General Sales Manager, and C. E. Lieberman, Master Brewer.

Houston, December 1—Following a month of intensive promotion with a teasing "Taste it—compare it" campaign, the Gulf Brewing Company of Houston introduced a new beer to the Texas scene, calling it Grand Prize Pale Dry Beer.

Prior to offering Grand Prize Pale Dry Beer for sale, the Brewery withdrew all old stock from the market and supplanted it with the new beer. To make the change-over complete, the new Grand Prize Pale Dry Beer is being presented with a newly designed, distinctive label on bottles and in an outstanding silvery can.

Mr. Lieberman, Master Brewer of the Gulf Brewing Company, said in an interview, "Long research into the changing tastes of the beer-drinking public indicated that preference now runs strongly to a 'pale dry' beer. In other words, modern tastes now discard the heavy, bitter beer with sweet overtones in favor of one subtle flavor and with sparkling, racy dryness carbonated with such minute bubbles that it forms a creamy head even at low temperatures and keeps it longer."

He went on to say, "that this new beer has achieved its present peak of perfection as a result of more than a year's painstaking research and blending. The ingredients that go into Grand Prize Pale Dry have been checked not only by the Brewery's own modern laboratory but also by several independent scientific stations. This new brew was not offered for sale until it measured up to all the high standards that the name 'pale dry' implies."

Mr. Lieberman further stated that only the very top grades of barley malt, the finest seedless female hop blossoms, and the purest variety of brewers' rice are used. The most modern brewing equipment was installed and has served as a real inspiration to the staff.

Reeves W. Hendershot, Vice-President and General Sales Manager, speaking to the Press, said, "We feel that we now have a truly superb beer. We are sincerely proud of it. We have the first 'pale dry' beer in Texas, or in the entire Southwest, for that matter, and we are confident that it will meet with the approval of all who try it. We sincerely urge those who like and appreciate beer to taste it and compare it with any beer made anywhere."

## KIDS DAY PRECEDENT IS MAKING HISTORY

Saturday, December 10 will be Kid's Day in Milam county and in Cameron.

So far as known this is the first such day ever proclaimed. To make it official Judge Dar Tyson has proclaimed Saturday, December 10 Kid's Day in the county and Mayor Roy Griffith has proclaimed Kids Day in Cameron.

The occasion is the first annual Milk Bowl Game to be played in Cameron at 3 p. m. Saturday between Gause and San Saba Pee Wee teams, boys under 100 pounds.

The spotlight will be turned on Cameron Saturday. The old town has been widely publicized as the site for the Milk Bowl Game. The proclamations issued to-day makes the occasion quite official.

Mrs. Berry Caldwell and Mrs. Dwight Price attended the Baptist Church conference at Rockdale Monday.

Henry Heath of Austin spent the past week end visiting in the home of Mr. and Mrs. Will Vaughan and other relatives and friends in Cameron.

## H. D. Council Meets In Rockdale; Plans Christmas Activity

The Milam County Home Demonstration Council met in their regular session Monday, November 28 at 2:00 p. m. in the basement of the Lutheran church in Rockdale with 4 council officers, 9 club presidents, 10 club delegates, 4 visitors and the Agent present, representing 10 out of the 11 clubs in the County.

Mrs. D. E. McDaniel, Vice-Chairman for 1950, presided in the absence of Mrs. J. B. Sapp, Chairman, and Mrs. Bernice Charles, Vice-Chairman.

The club prayer was repeated by all, lead by Mrs. McDaniel, after which the song "Jingle Bells" was sung by the group.

Roll was called and the minutes read and approved.

The following new council members for 1950 were introduced at this time: Mrs. Joe Huddleston, club delegate and Mrs. Chester Grisson, club president of Bethlehem club; Mrs. Graham Young, club president of Gay Hill; and Mrs. Earl Angell, club president of the Hoyte Club. Mrs. George Young, Marketing Chairman, gave a report on price lists for roses for the clubs.

Mrs. Young also gave information on where they could buy pine cones, winter greens, etc., to be used for Christmas decorations.

Mrs. Frank Hanel, gave the T. H. D. A. report in the absence of Mrs. Hugh Wimberly, at Mrs. Wimberly's request. The motion was made and carried to send Christmas packages to the State Hospital in Austin for the shut-ins.

The motion was made and carried to give the Lutheran church of Rockdale \$5.00 for the use of the building for Council Meetings.

Plans were made for the Council Christmas party at this meeting. The Gay Hill club extended an invitation to have the party at the Gay Hill Community recreation center with their club members acting as hostesses. The invitation was accepted.

The Commissioner's Court members and families are to be invited. Refreshments are to be furnished by each club with Gay Hill furnishing the drinks. The time and date for the party was December 14 at 2:00 p. m. Each one is to bring a gift not to exceed 50c in price or value. Gay Hill is to plan the program and let each club know what they are to do.

Committee meetings were announced for December 7 for making plans and recommendations for 1950.

The date, December 9 was set for the reporter's training school.

## Club Women Sponsor Equipment For Sunday School Class

The saying that necessity is the mother of invention was started by the Forest Grove H. D. Club women when they decided to do something about the Primary Sunday School class there. This rural church is located eight miles south of Rockdale and has a large primary class but no particular equipment for instructing them.

The Club women of this community decided to sponsor a program to obtain equipment for this Sunday School Class. A committee of three club women were decided upon, namely: Mrs. L. L. Keen, Mrs. T. L. Kyle and Mrs. O. B. McNeil.

Donations have begun to come in from old and young alike who are interested in seeing the work accomplished. One donation came from as far away as Houston. The man formerly lived in this community and while visiting a sister heard of this project and wanted to help.

Sixteen small unpaired chairs were the first equipment bought along with a table, and were purchased from a chair factory at Tanglewood, only about three miles from the church. The table was made by Otis O. Curry, a veteran of this community who has two small sons in this Sunday School class. The chairs were varnished and put into use. Color books, crayons, toys, song books, leaflets and an attendance roll have also been bought.

Other plans are in the making for expansion work on this project in the future.

### CARD OF THANKS

We wish to express our sincere appreciation to neighbors and friends for their kindness at the death of our beloved wife and mother. Especially do we wish to thank those who sent flowers or in any other way helped us in our time of sorrow.

Emil Michalka,  
Alma and Edna Michalka,  
Mr. and Mrs. Ludy Heintze and  
Joyce Marie.

### CARD OF THANKS

We want to thank all those who aided us in any way after our home was destroyed by fire. We especially want to thank Mr. Rylander and many others who were so helpful. For the many useful articles, money or anything you did at this time, we are truly grateful.

Mr. and Mrs. Lonnie Seaton

## More Firms Here Say They Will Close For Milk Bowl Game

Since publication yesterday of the fact that Hefley-Stedman Motor Company will close for the Milk Bowl game December 10 out of concern for the kids and to make the game here a success, a number of other firms have volunteered to do the same. Here is the list so far:

Dusek Pharmacy  
Henry Lippman  
Citizens National Bank  
Culpeppers  
The Cameron Herald  
First National Bank

It was understood these firms will close regardless of whether other firms do so. This is the most effective kind of co-operation.

In few instances do such movements become unanimous. There has been no official canvas. The firms whose names have been printed have volunteered to close. All who will close for two hours will be most welcome to send or call in their names

## UNICORNS WINNERS OF REGIONAL GAME

By GEORGE RABORN  
Temple Telegram

Battling valiantly against overwhelming odds and putting up a terrific fight against a team that outweighed them 30 pounds per man in the line and 15 in the backfield, the Rosebud Black Panthers bowed to the mighty New Braunfels Unicorns, 21-0, last night before 8,000 fans at Woodson field.

Even in defeat, Rosebud's best team in history had nothing to be ashamed of, for they outthumbed and outfought the blue-and-white juggernaut and forced New Braunfels to hustle for every yard. The Unicorns had to leave their starters in the entire game and never really succeeded in overpowering the scrappy Panthers.

Favored to capture the class A state championship they barely missed last year, the Unicorns scored in the first three minutes on Bill Kreuper's 17-yard end run, added another in the third quarter on Allen Pittman's three-yard scamper, and shoved across the final touchdown in the last quarter on Merlyn Murphey's one-yard plunge. Sure-footed Guard Clarence Schmid added all three conversions. The victory moved New Braunfels into the state quarter finals.

The entire Rosebud line played heroic ball. Ends Thomas Tapman, Carl Tawater, and Gerald Heck, Tackles Bobby Gobe and Ray Allen Griffin, Guards Billy Mock and J. W. Gummert, and Center Lewis Smith stopping the devastating New Braunfels attack better than any team has done all season.

Triple-threat Bill Davis and his lightweight backfield teammates—speedy Richard Schigut, shifty Tommy Sanders, and crafty Jack Jonon—played well both offensively and defensively. They gained 124 yards rushing and 12 first downs and kept the confident Unicorns worried throughout the game although never getting closer than the New Braunfels 25-yard line.

With all-State candidates like Guard Oscar Cantu, Center Gilbert Katt, and Tackle Curly Vilella clearing the way, the Unicorns piled up 268 yards rushing and 13 first downs but the New Braunfels passing attack was completely stopped except for the lone completion that netted 50 yards.

The Unicorns started off in impressive style and seemed on the way to a top-heavy victory. The Black Panthers received the kick-off, but couldn't gain and Davis' hurried punt went only 12 yards out of bounds on the Rosebud 34.

From here New Braunfels drove to its only first half touchdown. Murphey plunged to a first down on the Rosebud 23 and two plays later Kneuper shot through tackle and raced 17 yards to paydirt. Guard Clarence Schmid converted for a 7-0 lead after only three minutes.

Davis fumbled the kickoff, and got back to the Rosebud 13. Davis and Schigut collaborated for a first down on the 36, but that was all and Davis punted nicely to the New Braunfels 30.

It seemed the Unicorns were off to the races again when Murphey

scouted 22 yards around end and Allen Pittman streaked 41 yards, but Pittman's run was nullified by a penalty. Gregory rammed to the Rosebud 29 and Kneuper reached the 18, but the fighting Panthers dug in and took over on their 13 as the first quarter ended.

Then the Panthers began to open up. Sanders drove to a first down on the 28, Schigut sliced through tackle for 12 yards, and Davis passed to Tapman on the New Braunfels 48. A holding penalty set them far back, though, and Davis' two screen passes didn't do much good. One of them was to an ineligible receiver and caused another penalty, so Davis punted to the Unicorn 39.

After Kneuper had picked up 16 yards on an end run, the Panthers held and center Gilbert Katt punted out on the Rosebud 20. Schigut fought his way to one first down and Sanders made another on the Rosebud 42, but then Davis was forced to punt, Murphey returning it to the Unicorn 40.

Less than two minutes remained in the half and New Braunfels didn't have the big lead it expected at this point. Pittman sprinted 30 yards around end, but Murphey's three long passes all fell incomplete and Sammy Howard's long heave was intercepted by Schigut on the goal line and returned to the Rosebud 30 as the half ended.

During the intermission the 80-piece New Braunfels band performed along with eight majorettes and the blue-coated pep squad and Rosebud's peppy little band took the field afterwards for a snappy maneuver.

Taking the second half kickoff, the Unicorns bulled their way 60 yards to paydirt. Kneuper carried twice for a first down on the Rosebud 43 and then broke loose on a 22-yard scamper up the middle. Gregory drove to a first down on the 10. After Pittman had carried to the four, the Panther line held firmly for two downs, but on his last try Pittman circle end for a touchdown. Schmid converted to make it 14-0.

After Schigut almost got loose with the kickoff, which he returned

nicely to the Rosebud 38, Davis fought his way to the 50. The Unicorns held, though, and partially blocked Davis' punt, which went out on the New Braunfels 40. A holding penalty set the Unicorns back and a poor punt went out of bounds on the Rosebud 47.

Here the Panthers began their best drive of the game so far. Schigut plunged for a first down and then Davis slipped through guard for 11 yards to the New Braunfels 32 as the third quarter ended. The burly Unicorns held, though, and Davis' short pass to Schigut on last down to the 29 was as far as they could get.

The Unicorns marched 71 yards quickly for their third touchdown. They gambled on fourth down with a yard to go and it worked. Gregory making the necessary yardage. Then Murphey passed to end Charles Schiewer for a 50-yard gain before Sanders pulled him down from behind on the Rosebud seven. Kneuper rounded end to the one and Murphey plunged across. Schmidt split the uprights again for a 21-0 lead with eight and a half minutes left to play.

Rosebud managed to pick up a first down on the New Braunfels 42 after the kickoff with Davis passing to Tapman, but the Unicorns stopped them and forced Davis to punt out on the New Braunfels 20. After making one first down, the Unicorns gambled trying to make another on their 40 and the Panther line smacked Gregory down for a yard loss, Rosebud taking over.

Only two minutes remained, but the Panthers weren't giving up. Davis passed to Heck on the New Braunfels 25. A running play failed, two passes were broken up, and then Kneuper intercepted Davis' pass and ran it back to the Unicorn 32. One play later the game ended and the New Braunfels band made its victory march down the field.

## 16 Page Football Program For Milk Bowl Game Here

A 16 page football program is being printed for the Milk Bowl football game here on Saturday, December 10.

This program was made possible by merchants and business men over the county co-operating with paid advertising. The number will be limited to about 1250 since the covers and roster sheets will be contributed by Coca-Cola Bottling Company and only that number was available since the bowl game was a late development

and the company had no way of anticipating this additional need for programs.

The programs will be sold for 10c each. This program will have quite a few pictures. Since it is a souvenir program and for the first such football game in history many will want copies to preserve for the future.

The Chamber of Commerce is sponsoring this program and all copies will be delivered to that office.

Mrs. Milton Falkner is ill and a patient in Newton Memorial Hospital.

Thanksgiving guests in the home of Mr. and Mrs. W. W. Balhorn were Harold Balhorn of Seguin and Mrs. A. C. Balhorn of Hearne.

**MIGHTY MIDGETS—** interest in them. They wore blue-jeans and whatever clothing mothers didn't mind seeing torn to shreds. Bare feet gave them speed.

Their first game with an elementary team from Bryan was played in bluejeans, then Gene Walker, Gause farmer, decided the team needed regular football suits.

"It wasn't right to see the kids playing without good equipment," he said.

Walker took up a collection and the pot reached \$390. After a trip to Waco, the boys had jerseys, padded pants, helmets, and cleated tennis shoes.

Bill Harrell, young Gause farmer who played football at Hearne, started dividing his farming time with the team. Now he is coach.

The Gause youngsters boast a record of five wins and one defeat. They beat two Bryan elementary school teams, a Thorndale team, and

defeated the Hearne team twice. Their only defeat was at the hands of Thorndale in a return engagement.

Star of the Gause eleven is Wayne Jones, 93-pound, 12-year-old south-paw passer who is the "Doak Walker" of the team. He has scored 100 points this season.

Donny Alford, 9, 62-pound guard, is the star defensive player. Says Coach Harrell: "Donny would try to tackle Kyle Rote if he had a chance."

Another star is Zeff Morgan, 92-pound end who is one of Jones' star receivers.

The Milk Bowl event has created so much interest that Ralph Widman, Dallas sports commentator, has arranged for a Statewide radio broadcast of the game. The Texas Quality Network will air the game over such stations as WFAA in Dallas, and the broadcast will be sponsored by Borden Milk Co.

Mayor Roy Griffith of Cameron has designated next Saturday as Kid's Day and bands from high schools at Thorndale, Rockdale, Milano, Caldwell and other points will participate in the activities. Other plans are being formulated.

Incidentally the mascots of the two teams will be on hand for the game. "Miss Matilda," a Jersey cow will represent the Gause team, while a milkgoat, "Miss San Saba" will be on the other side of the field.

Gene (Dixie) Walker, former Texas League baseball star, will milk Matilda as one of the halftime events.

Joe Moore, Gause citizen and former outfielder of the New York Giants, is chairman of the Milk Bowl. Widman is co-chairman.

## Jack Owings Serves Pheasant Dinner To Friends Monday

A rare treat came to several friends of Jack Owings Monday. He served them a pheasant dinner at the Milam Coffee Shop.

The pheasants were cooked by Fred Reno at the coffee shop and served on toast with all the fixings. Mr. Owings included the editorial staff of The Daily Midget in his invitation and has the thanks of the makers of this paper.

Mr. Owings raises pheasants and each year gives friends a dinner. Properly cooked pheasant is a very choice fowl. They are game birds in the west and pheasant shooting is a fine sport.

## District 21-A Board Meeting In Taylor

The Committee for District 21-A football and general athletics program has been called to meet in Taylor at 1:30 p. m. Wednesday.

Superintendent W. T. Hanes and Sanford Layfield, principal of the high school, left Cameron shortly after Rotary luncheon to be at the meeting.

Lee Peebles, Superintendent of Schools at Killeen, is chairman of the district committee, and called the meeting.

Mr. Hanes said that one of the business matters current will be to certify Rosebud as football champions of the district and also to make the playing schedules for next year and generally to close out the business of the old year which ends December 31.
